## **Notes**

- a) Providing incubation facility will be based on the recommendations from the Project Management Committee (PMC) and subject to the acceptance of Manipal – GoK Bioincubator terms and conditions at the time of incubation.
- b) As per the present guidelines, individuals, Proprietary & Partnership Firms required to be registered as company and have to pay an incubation fee as decide by the committee. MAHE faculty members are governed by the University Faculty Entrepreneurship Policy and MAHE Faculty/ Student’s request for incubation must be only through proper channel at the time of incubation.
- c) The applicant should not disclose any confidential information with the Bioincubator staff regarding the inventions at any stage of application or Incubation. The Bioincubator is not responsible for any such violations/ disclosure regarding inventions conceived by him/her alone or with others during the tenure of the incubation. While availing the mentoring services, the Bioincubator strongly encourages to execute Non-Disclosure Agreement with mentors.

## **Declaration**

I/We hereby declare that I/we have read and understood all the terms & conditions of the Incubation Agreement of the Manipal-GoK Bioincubator, and shall follow the rules and regulations of the Incubation Center & MAHE. The declaration and facts in the application are true and best to our knowledge and nothing material has been concealed.
