

Rules and regulations – Manipal Biotech Hackathon 2022

Manipal - Government of Karnataka Bioincubator and its Student Entrepreneurship Cell, in association with Manipal School of Life Sciences(MSLs), is conducting a virtual Manipal Biotech Hackathon 2022 contest for all the enrolled Students/researchers pursuing UG / PG/ Doctoral Studies in any Academic / Research institutions. With an aim to encourage and foster a culture of innovation, startups, and entrepreneurship, the Manipal Academy of Higher Education has declared 2022 as the year of Innovation and Entrepreneurship for students. The Hackathon will be helpful in polishing the skills of students who are interested to solve real world problems and have entrepreneurial zeal in them.

Eligibility

- Participants must be affiliated with an academic Institution as a Student/Researcher and can be pursuing UG/PG/Doctoral studies.
- MGoK-Bioincubator's Staff & Relatives are not eligible to participate in the hackathon. They may, however, assist teams as mentors during the development phase.

Team

- Teams can consist of a minimum of two (2) and maximum of four members. Each team can also include one mentor and presence of the mentor is not compulsory.
- Ideal team combination for best results would be multi-disciplinary and can be from multiple institutions
- Changes to team members are not permitted after **December 11 2022, 5 PM.**
- The team members need not be members of the same institution.
- For students looking for team members, the student can roll in under TEAM MATES LOOKOUT option: <https://tinyurl.com/2dncc4js> and can to connect with other participants who have registered under the same section. The organizers will only assist by publishing the data of the innovator in the webpage so that other solo participants can connect.
- All the participants who submitted the final proposal and business plan will receive the certificate of recognition and the mentor will not receive any certificate.

- A team can submit only one entry for the hackathon. Participation at the hackathon is subjected on a “per-team” basis meaning you are not allowed to be on more than one team at the event.
- The registration fee will be INR 1000 per team, irrespective of the Team size.

LANGUAGE REQUIREMENTS

All materials submitted in connection with the Hackathon must be in English or, if not in English, the participants must provide an English translation of the demonstration video, text description, and testing instructions as well as all other materials submitted.

General

- The registration fees for the team will be INR 1000 and participants can register for the Manipal Biotech Hackathon 2022 using this link <https://tinyurl.com/2p8yz93t>
- Individual Participants looking for a Team can also register by using this link <https://tinyurl.com/2dncc4js> where the minimal details like Name, Area of Expertise and Email id will be collected and displayed on our page so that you can connect/other participants can connect with you. Kindly note filling in this google form is not related with registration for the Hackathon. This is just provided to enhance team building skills and to enhance networking. Participants will still need to fill the google form for Team registration and complete the payment of the registration fee to complete registration for the Hackathon.
- The registration for the Hackathon is only complete after the participating team fills in this google form <https://tinyurl.com/2p8yz93t> and completes the payment of the registration fee.
- The participants are expected to reach the Proof of Principle or Technology Readiness Level 2 of the planned concept.
- The name of Team and name of the Teammates must be clearly specified as per College ID's or institutions records
- The registered team can choose any problem statement of their choice related to the Biotechnology domain
- The fees will not be returned at any circumstance after registering for the event.

- The final round will consist of a 7 min presentation round (Duration:6min +1min for warping) along with 7 min for Q&A. The jury will be a closed group jury.
- Informative Talks by renowned speakers will commence on the **December 12,2022** which will give a clear understanding as to how to take the product to the market which will be free for the registered participants
- The events and final presentation of the Hackathon will be conducted on MS Teams.
- The decision of the Organizers on all matters relating to the Hackathon, including the eligibility of Participants and the selection of the winners, is final and no correspondence will be entertained.
- The Organizers reserve the right to amend these Conditions of Participation at any time at its absolute discretion without any further notice, including but not limited to the eligibility terms and criteria, the selection of winners, the timing of any act to be done and all Participants to this Hackathon shall be bound by these amendments.
- The terms and conditions of the Hackathon Rules are subject to change at any time, including the rights or obligations of the Maker/Participants, and the Organizer will post the terms and conditions of the amended Official Rules on the Hackathon page. To the fullest extent permitted by law, any amendment will become effective at the time specified in the posting of the amended Official Rules or, if no time is specified, the time of posting.
- If at any time prior to the deadline, a Maker/Participant or prospective Maker/Participant believes that any Official Rule is or may be unclear or ambiguous, they must submit a written request for clarification.
- Ensure that you/your team have obtained any and all consents, approvals, or licenses required for you to submit your Entry, and that your Entry will not violate anyone else's rights or the law (if applicable)
- The final decision on the number of winners eligible for Prize money will be decided by the organizers.
- For any kind of mentoring related with the Hackathon the participants can email the details to bioincubator@manipal.edu or bionest@manipal.edu

Intellectual Property:

Your Submission and all components thereof must:

- (a) be your (or your Team) original work product;
- (b) be solely owned by you or your Team with no other person or entity having any right or interest in it; and
- (c) not violate the intellectual property rights or other rights, including but not limited to copyright, trademark, patent, contract, and/or privacy rights, of any other person or entity.
- (d) A Maker/Participant may contract with a third party for technical assistance to create the Submission provided the Submission components are solely the Maker's/Participant's work product and the result of the Maker's/Participant's ideas and creativity, and the Maker/Participant's owns all rights to them.
- (e) By entering the Hackathon you represent, warrant, and agree that your Submission meets these requirements and Hackathon Administration will be not obliged to answer or legally bounded for such instances.
- (f) The innovation done by the registered team will be safe utmost confidentiality will be upheld by the organizers
- (g) As the jury will be a closed group no project details will be in any of the open platforms and your IP's will be secure.

Submission:

- The teams will be given a Template Proposal via email after registration on the **December 12 2022** and are supposed to submit the filled Proposal via mail to bioincubator@manipal.edu by the **December 20 2022** by 5 PM to compete. Any delay in submission will not be considered.
- Incomplete or indecipherable entries will be deemed invalid and disqualified.
- The content of your Entry and any supporting materials must be acceptable for all viewing audiences. We will automatically disqualify any Participant or team that submits an Entry or supporting materials that contain data, code, text, sound or images that we, in our sole opinion and for any reason, believe to be malicious, illegal, vulgar, offensive, or inappropriate for public viewing, or that is presented in a negative light.

- By submitting an Entry in this Hackathon, you represent: That you, your team and the Entry submitted complies with these Official Rules; That the entirety of the Entry is your/your team's original work; That the demo submitted is solely the work of you or your team.

THE JURY

- Eligible Submissions will be evaluated by a panel of Jury selected by the Organizer. The Jury may be employees of the administrator or external, may or may not be listed individually on the Hackathon Page, and may change before or during the Judging Period. Judging may take place in one or more rounds with one or more panels of Jury, at the discretion of the Organizer.
- All expenses or costs associated with the acceptance or use of the prize or any component of the prize are the responsibility of the winner. The prize is awarded "as is" and without any warranty.
- You will be bound by and comply with these Official Rules and the decisions of the Administrator, and/or the Hackathon Jury which are binding and final in all matters relating to the Hackathon.

PRIZE

- The top selected teams will receive entry for the 6 months structured Pre-Incubation program and offered mentoring programs by Manipal-GoK Bioincubator.
- Top 3 teams will receive a cash prize from the cash prize pool of INR 50,000. The final amount will be decided by the organizers.
- Manipal-GoK Bioincubator will support the candidates with help with respect to refining the idea and insights on proposal writing to apply for NIDHI-EIR funds from MUTBI Society for Prototyping i.e. upto INR 3.6 lakhs per team to be won from Manipal-GoK Bioincubator.

VERIFICATION OF POTENTIAL WINNERS

THE AWARD OF A PRIZE TO A POTENTIAL WINNER IS SUBJECT TO VERIFICATION OF THE IDENTITY, QUALIFICATIONS, AND ROLE OF THE POTENTIAL WINNER IN THE CREATION OF THE SUBMISSION.

The final decision to designate a winner shall be made by the Organizer.
